Brother of the Month

-Nathan Feldsien-

As webmaster Brother Nathan Feldsien ΙΣ 1008 has been working hard this semester to build a new website for our chapter. Visit us at www.lcavu.com and create an account to view pictures, events coming up, and staying in touch with the chapter. Brother Feldsien has also been selected as Conclave Chairman in charge of planning and running an excellent event. Congratulations Brother Fieldsen and keep up the great work.

Hello Brothers, my name is Leandro Jaime a sophomore Mechanical Engineering student initiated last spring and current High Rho. Recently we had a great time during homecoming speaking to alumni, sharing stories, and having good food. Brother Jeff Schatz represented the Midwestern Conclave as the Student Advisory Committee representative. We welcome two brothers into our bond: Logan Woodward and Matt Thompson, both initiated on November 9th-10th. Our ELC for the year Brandon Hebert visited from late Nov. 11 to early Nov. 14., and we were chosen to host the 2013 Northwest Conclave!

It was a great pleasure to meet the gentlemen of Lambda Chi Alpha at Valparaiso's Homecoming 2012. You have an impressive brotherhood after re-chartering and are poised for a great future. I'm proud to see engineers that participate with the National Council at the College of Engineering. I'll look forward to future homecomings and seeing how you grow. I understand there will be potential fraternity houses in the upcoming Strategic Plan for the University, hopefully one of the houses could have Lambda Chi written across the front.

I met president Mark Heckler who informed me that he is an Honorary Lambda Chi and that his brother works at the National Office in Indianapolis.

Sincerely, Larry Zimmerman, Class of 70' Iota Sigma 409
