START A LEGACY THAT WILL LAST A LIFETIME.

Quote of the Month: "Our greatest glory is not in never falling, but in rising every time we fall" ~ Confucius

We Need You Alumni!

A hello brother, with the start of 2013 underway Valparaiso University has started to make changes. One of these changes to which may be of interest is Greek Row. Iota Sigma Chapter does not currently have a Fraternity House and is developing a committee of alumni and current brothers to start raising funds for a future house. This committee would be used to help make a five to ten year plan for Iota Sigma to raise funds for the housing project. There are neither time constraints nor long-term commitments to the committee. We are looking for alumni who are willing to take a

little bit of time out of their schedules to help build a foundation for the further success of Iota Sigma Chapter at Valparaiso University.
