### **Q: Does it matter that I have been an Alumni for 10+ years?**

A: Of course not! Just send us your 'news' and we will put it in the newsletter for brothers and fellow alumni to read.

### **Q: What if I have want to be an active Alumni?**

A: We are currently in a transitional phase with our alumni base. Look for future events on our Facebook page and Newsletters. Also, we are expanding into a fraternity Linked In. Coming soon.
