Want something to be added to the newsletter; recently got hired, won an award, etc then contact below and send an email.

Q: Does it matter that I have been an Alumni for 10+ years?

A: Of course not! Just send us your 'news' and we will put it in the newsletter for brothers and fellow alumni to read.

Q: What if I have want to be an active Alumni?

A: We are currently in a transitional phase with our alumni base. Look for future events on our Facebook page and Newsletters. Also, we are expanding into a fraternity Linked In. Coming soon.
