Iota Sigma

January 2014

Edition 1, Volume 5

Recruitment

Spring recruitment is over, and Iota Sigma has welcomed ten new associate members. Edgar Diaz organized seven events, including a classic gaming night, a service event at Café Mana, and a bowling recruitment event with Sigma Pi.

These men have already shown us some of the qualities we look for in new members, and over the coming weeks, we look forward to seeing them build on these qualities.

Shout out to all the brothers who raised \$788.80 and spent 8 hours dancing to support Children's Miracle Network Hospitals.

Save the Dates:

- Smash Cancer(Super Smash Bros. Tournament) – Feb. 21th
- Pre-Initiation Week – March 17-21st
Contact me if you are interested in helping.
- Golf Outing @ Aberdeen - April 26th
 - Brunch Location/Time TBD
 - Tee Time: 1:30 PM

Happy New Year

•••

I'm Garrett Rietveld. I am a senior Computer Engineering major. I was initiated this past fall, and currently serve as High Rho.

As High Rho, I am looking to help form the Alumni Board, which will help to support the current officers, and the Housing Committee, which will be to help fund the construction and maintenance of a house. If either of these interest you feel free to send me an email.

If you have any stories or things you think should be in the newsletter, feel free to send me an email.

In ZAX,

Garrett Rietveld

Iota-Sigma
