ALS ICE BUCKET CHALLENGE

This month, we were challenged by our brother, President Heckler to the ALS Ice Bucket Challenge. On August 30th, we accepted that challenge. With the help of the women of Kappa Delta, our brothers along with the men of Phi Delta Theta had a cold shower outside of 807 Mound. You can find the video [here](#) or on our Facebook page.

FALL RECRUITMENT

School is back in session, and with it fall recruitment begins. Starting next week we will be seeking men that will live up to the core values of Lambda Chi Alpha to invite into our brotherhood. Edgar Diaz, our current Delta, is hoping for a good sized class this year. And while fall recruitment is limited to upperclassmen and transfers only, we are trying to get freshmen involved early, so that when spring rolls around, we will have already made them interested.

HOMECOMING

Hope to see many of you at homecoming. We will have a cook out Saturday night, and be around at some of the other events.
