

LAMBDA CHI ALPHA

SEPTEMBER 2014

Service Update

September has been a busy month for service. On September 13th, Iota Sigma hosted the first annual Lambda Chi Alpha Wiffleball Tournament. Six teams participated, and we raised over \$200 to buy food to Feeding America. On September 27th, we participated in two different events. Seven brothers went to South Bend, Indiana to assist with a benefit auction for Broadway Christian Parish at Brother Christian Radcliff's church. Also, we had five brothers participate in Relay for Life to raise money for cancer research.

Scholarship

Brother Kevin Goldner was chosen to receive a scholarship package from the Indiana Department of Transportation. This award includes internship and a job offer as well as scholarship money to put towards college costs.

Recruitment

Another formal recruitment has ended, though it was a slow semester for us, we had one excellent man accept our bid. On Sunday September 28th, Austin Pittman became an Associate Member of Lambda Chi Alpha.

Though we only have one new member, we still will be doing initiation this fall. If you want to get involved or help out let either myself or Roman Ortiz-Prather know via email.
