Brother Christian Graduates

On December 13, 2015, Brother Christian Radcliff graduated from Valparaiso University with a degree in Environmental Science. Christian started attending Valpo in the Fall of 2012, which means he finished up his schooling in seven semesters. Christian just completed his terms as High Beta and Standards Chair, and he had pre-

viously served as High Delta and as an executive committee alternate. Christian has undoubtedly served the Fraternity very well in his undergraduate career and we know he'll remain active as an alumnus, which is always desirable. So, Brother Radcliff, thank you for all that you've done for us and good luck out there!

Semi-Formal Dance

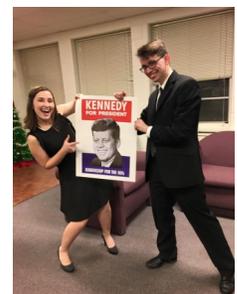

The chapter held its annual semi-formal dance at Casa del Roma this month. The theme was famous duos, and the brothers and their dates got quite creative with the costumes. Overall the dance went very smoothly and everyone had a great time.
