## Associate Member Education & Community Service

On October 7, 2015 the chapter held a Kappa session at Café Mana, a soup kitchen located in Saint Teresa's Catholic Church. The Kappa session was dedicated to Service & Stewardship, which is one of Lambda Chi Alpha's Seven Core Values. The

associate members were very respectful and hard working while serving those in need, which served as a great reminder to the active brothers that we have six great guys in our associate members.

## Service Trip: South Bend 5.0

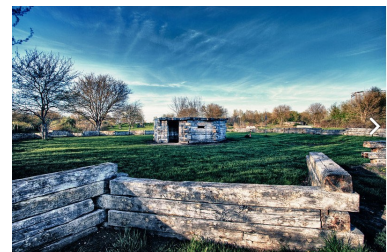

This month, eight of our brothers took a trip to South Bend, Indiana to work with Grace United Methodist Church. The church was hosting a silent auction to raise money for a weekly food pantry hosted by Broadway Christian Parish. Our boys helped to

set up the dining room and stage, then served food, bussed tables, did dishes, and even helped the church with some of the accounting work that needed to be done to see how much money was made after the auction.

## Brotherhood/Recruitment Event: Paintball

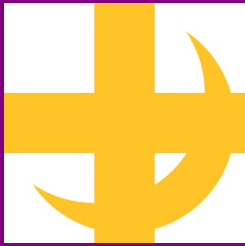

On October 31, the brothers of Lambda Chi Alpha invited three potential new members (PNMs) to go paintballing with them in the early afternoon. All the brothers in attendance had a great time, and the PNMs got a great idea of the type of close-knit brotherhood we have within the chapter.

One of the setups played at the Paintball event. This map is called "Octagon".
