Brotherhood Shoutout:

Jake with his girlfriend, Lydia

Congrats to brother Jake Larson for landing an internship with American Greetings! Jake used to work in the factory at A.G. back home in Danville, KY but now he will be doing engineering work with the company. Jake will be earning significantly higher pay while getting real, hands-on experience in his field of study. Congrats, brother!

Twelve New Associate Members

Valpo's bid turn-in day, which marks the end of formal fraternity recruitment, was January 22nd and the brothers welcomed twelve outstanding gentlemen to the chapter. To give a bit of context, this was the third highest

number in this year's formal recruitment. The group became Associate Members two days later on the following Sunday. There is a lot of potential in this AM class and we can't wait to see the great things they accomplish in the near future.

\$100 Prize for Highest Attendance at Basketball Game

At the Youngstown State vs. Valpo basketball game on January 30th, the Lambda Chis won a contest open to Greek organizations on campus to see which could have the highest percentage of its members attend the game. The percentages were not re-

leased, but we were told that the chapter won handsomely. The winners of the contest were given \$100 to donate to the charity of their choice, and the chapter decided to give the money to Feeding America.

Brother Louis and Brother Stephen Dance in Valpo Comp

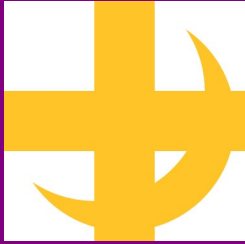

On January 30, 2015, Brothers Louie Christensen and Stephen Sekoulopoulos participated in the 5th annual Valpo Ballroom Competition. The competition was a very large, very successful event with multiple Division 1 colleges in attendance. Both Brothers had fantastic showings, placing in multiple events. Many brothers came by to cheer Louie and Stephen on during the day-long competition.
