Initiation Successful!

The chapter is proud to welcome eleven newly initiated members into the brotherhood! Initiation went very well, and will be remembered for years to come. Now that these new members are fully initiated, the chapter looks forward

to seeing how these new members contribute to the chapter and grow as both gentlemen and leaders. Finally, there was a strong Iota Sigma Alumni presence at Initiation, which made the night that much more special.

Service & Stewardship on Spring Break

Brothers Taylor Krivas and Louie Christensen visited Washington DC for the annual Valpo Greek Life Spring Break Service Trip. Both Taylor and Louie thoroughly enjoyed the experience, especially serving the Metro DC food bank, which is affiliated with Feed-

ing America. During their trip, they also had the opportunity to visit the Lambda Chi Alpha chapter at the University of Virginia.
