## Brothers of Iota Sigma are Active Over Summer!

The brothers of the Iota Sigma Zeta have been very busy during the summer, here are some pictures and quick descriptions of what we have been up too! The entire chapter looks forward to our Homecoming BBQ on September 24 on campus!

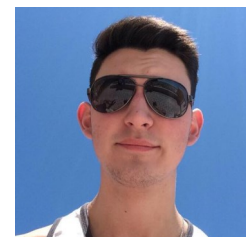

**Brother Alex Zaplatosch** is spending the summer interning with the engineering/manufacturing company Panduit. Panduit has roughly 5,000 employees and operates in 112 countries, with its world headquarters located in Tinley Park, IL. He will be working on the Industrial Automation team doing product development.

**Brother Zach Gronewald** is working for the Jo Daviess County State's Attorney in his hometown of Galena, Illinois. Zach gets to do a little bit of everything while he is there, including having the opportunity to actually go into the courtroom and help out several times a week. This is Zach's second year there and he is constantly learning new and more challenging things as he continues to de-

**Brother Zach Diamond** will be working on campus at the OneCard office this summer. In addition to that, Zach also volunteered to answer questions and promote the many benefits of joining Greek life at the Fraternity and Sorority Life table during the Student Services Fair at Freshman Orientation.
